SUMMARY:

Monterey County Office of Education (MCOE) and Monterey County Probation Department (MCPD) provide a coordinated approach, utilizing available resources from both agencies, to closely monitor and supervise juvenile probationers and assist with at-risk students within the school system.

DISCUSSION:

The Monterey County Office of Education (MCOE), through its Alternative Education Programs, operates a community day school. This school serves at-risk youths who have been expelled from school districts. MCOE has requested Probation to assist in truancy issues at this school.

MCPD shall assign one Deputy Probation Officers (DPO) and one Probation Aide (PA) to the district to closely monitor and supervise juvenile probationers to ensure the orderly and effective operation of the community school, and enhance the level of assistance available to the students in attendance. The Probation Officer manages cases and enforces conditions of probation while the Probation Aide provides oversight and support services to the students during school hours.

OTHER AGENCY INVOLVEMENT:

The MOU has been approved by County Counsel as to legal form and by the Auditor-Controller as to fiscal terms.

FINANCING:

MCOE will reimburse the Probation Department for a total of \$160,915 for the staffing and operating costs of the programs. Funding is already contained in the approved budget for Department 2550, Unit 8162 for Fiscal Year 2014-15.

There is no cost to the County General Fund with the recommended action.
