SUMMARY/DISCUSSION:

This Agreement with American Medical Transport, Inc., dba Central Coast Ambulance is for a three (3) fiscal year term from July 1, 2018 to June 30, 2021, which renews and updates Agreement A-12712 ending June 30, 2018.

American Medical Transport, Inc., dba Central Coast Ambulance has provided essential transportation services for psychiatrically or physically disabled clients to and from State and Veteran's Administration hospitals, locked skilled nursing facilities, Monterey County's psychiatric inpatient unit, and other facilities in California. These services are pre-planned, with a small portion being provided within the County; the majority of the services will involve transporting clients to and/or from facilities located outside of the County. This Agreement also ensures that critical advanced life support ambulance response services are not diverted for these non-emergent transportation needs of psychiatrically and/or physically disabled clients.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2011-2015 strategic plan initiative: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the

provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

FINANCING:

This Agreement is funded by Realignment revenues. The funds for this Agreement (\$100,000) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2018-19 Requested Budget. The funds for this Agreement for FY 2019-20 (\$100,000) and FY 2020-21 (\$100,000) will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2019-20 and Fiscal Year 2020-21 Requested Budgets.
