SUMMARY/DISCUSSION:

The Innovation component of the Mental Health Services Act (MHSA) provides a dedicated funding source to counties to try out new and creative mental health practices or approaches that are developed within communities that are inclusive and representative of unserved and underserved populations. Additionally, Action may directly provide the trainings in lieu of a subcontractor.

This Agreement contains the County’s standard 30-day “no cause” provision (Section 3.02) and an additional defunding provision (Section 7.03), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. OTHER AGENCY INVOLVEMENT:
