### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Authorize the Director of Health or Assistant Director of Health to execute a Standard Agreement with Monterey County Children and Families Commission dba First5 Monterey County not to exceed the amount of \$300,000 for the provision of support to the Bright Beginnings Early Childhood Development Initiative for the period retroactive from July 1, 2019 through June 30, 2020.

### SUMMARY/DISCUSSION:

The County of Monterey through its legislative platform and budget allocations is very supportive of the development of the Early Childhood Development Initiative (ECDI) for the residents of Monterey County. Early childhood development has been identified by both the Board of Supervisors and the Monterey County Children's Council as critical for the economic and social success of our County. The First5 Monterey County Bright Beginnings program is responsible for implementing the early learning goals throughout the County of Monterey that includes partnerships and facilitating strategy-aligned projects through a team of consultants and staff. It provides access to project management, evaluation, continuous improvement, and communication tools, and resources that ensure the work is linguistically and culturally relevant (e.g., multi-lingual facilitation, translation and interpretation services). All activities are designed around the Bright Beginnings core principles to achieve systems change.

The provisions of systems change include influencing policies, practices, resource flows, relationships and connections, power dynamics, and mental models. The start date of this Agreement is retroactive to July 1, 2019 due to the unexpected increase in funding to the vendor and the length of time it took to negotiate with the vendor the additional terms needed for this Agreement. The approval of this Agreement will enable Bright Beginnings Early Childhood Development Initiative (fiscally sponsored by F5MC) to maintain its general operations, enhance its strategy-aligned projects and connect projects to indicators of success.

This work supports the MCHD 2018-2022 Strategic Plan Goal: 1. Empower the community to improve health; Goal 2. Enhance public health and safety through prevention; and Goal 3. ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. Additionally, this work supports three of the ten essential public health services: 3. inform, educate, and empower people about health issues; 7. link people to needed personal health services and assure the provision of health care when otherwise unavailable; and 8. assure competent public and personal health care workforce.

### OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and the Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions respectively.
