- a. Ratify the execution by the Director of Health of the non-standard Agreement between Walmart, Inc., and Monterey County, to provide and administer immunizations to Monterey County employees with a retroactive start date of September 13, 2022, for a total Agreement amount of zero dollars (\$0);

SUMMARY/DISCUSSION:

The Monterey County Employee Wellness Program (“Wellness Program”) was created in 1985 as a partnership between management, unions, and employees to address three main areas: Employee health and safety, Health insurance costs, and Worker’s Compensation claims. The mission of the Wellness Program is to promote work environments, policies, and programs that preserve the health of employees and promote their ability to excel at their jobs while honoring the importance of family and community.

This Agreement with Walmart, Inc., will provide an opportunity for the Wellness Program to continue to offer immunizations to the employees of Monterey County. Through this agreement, employees will have access to influenza, COVID-19, shingles, and other immunizations at the worksite during scheduled clinics. Workplace vaccination decreases employer costs by reducing illnesses and missed time from work. The approval of this Agreement will ensure the continuation of providing County employees the education and tools necessary to improve their health and quality of life.

This Agreement contains non-standard mutual indemnification provisions. The Agreement is late in being brought forward due to staffing shortages and prioritization of other agreements related to COVID-19 response.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goals: 1. Empower the community to improve health; 2. Enhance community health and safety through prevention; and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports the following of the ten essential public health services, specifically: 3. Inform, educate, and empower people

about health issues, 4. Mobilize community partnerships and action to identify and solve health problems, and 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:

There is no cost to the County for this agreement.
