SUMMARY/DISCUSSION:

DHCS has awarded the Monterey County Health Department, Behavioral Health Bureau a 12- month, \$150,000 grant. The grant is entitled “Behavioral Health County and Tribal Planning Grant”. This grant also supplements costs related to pre-development construction activities including architectural and engineering reviews as well as feasibility assessments for an identified facility’s renovations.

This funding supports the Monterey County Health Department 2018-22 Strategic Plan Goals: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. 4. Engage MCHD workforce & improve operational functions to meet current & developing population health needs. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The office of the County Counsel, and the Auditor-Controller have reviewed this Agreement as to legal form, insurance requirements, and fiscal provisions respectively.

FINANCING:

The Behavioral Health County and Tribal Planning Grant provides funding in the amounts up to: \$150,000 for Fiscal Years (FY) 2021-22 and FY 2022-23. The grant was awarded mid-way through FY 2021-22 and the associated revenues and expenditures were not included in the Bureau’s FY 2021-22
