**RECOMMENDATION:**

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health or Assistant Director of Health to sign a Standard Services Agreement with Motivating Individual Leadership for Public Advancement (MILPA) for the provision of reclassification and community outreach and education services for Proposition 47 Cohort-2 clients in Monterey County retroactive to October 1, 2021, in the amount not to exceed \$141,666 for the term of October 1, 2021 through February 28, 2023; and

**SUMMARY/DISCUSSION:**

The Board of State and Community Corrections (BSCC) awarded a continuing three-year \$6,000,000 Proposition 47 Cohort-2 grant to the Monterey County Health Department, Behavioral Health Bureau. The Grant will continue to focus on individuals in the criminal justice system in need of mental health, substance abuse treatment and supportive services needed to eliminate barriers to successful reintegration into society and reduce the recidivism rate of people convicted of less serious crimes.

To perform the terms of this grant, the Behavioral Health Bureau will continue to work with MILPA to provide reclassification and community outreach and education services to eligible clients in Monterey County. The goals and objectives are to provide the appropriate supportive services aimed at increasing the progression and recovery rate for this population. This contract has been delayed due to continued contract negotiations.

This Agreement contains the County's standard 30-day "no cause" provision (Section 7.0, Subsection 7.01) and an additional defunding provision (Section 7.0, Subsection 7.03), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the Monterey County Health Department 2018-22 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

**OTHER AGENCY INVOLVEMENT:**

The Office of the County Counsel-Risk Management and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING:

The grant provides program funding in the amount of \$141,666 for the term of the agreement. FY 2021-22 of the Health Department Behavioral Health Bureau (HEA012, Unit 8410) FY 2021-22 Adopted Budget has enough appropriation. The expenditures for Fiscal Year 2022-23 will be included in the Department's Requested Budget for that Fiscal Year.
