RECOMMENDATION:

It is recommended the Board of Supervisors:

Authorize the Interim Chief Executive Officer for NMC or his designee to execute renewal and amendment No.4 to the agreement (A-13426) with UpToDate Inc. for Anywhere electronic clinical resource subscription services, extending the agreement an additional one (1) year period (March 1, 2022 through February 28, 2023) for a revised full agreement term of December 1, 2016 through February 28, 2023, and adding \$95,556 for a revised total agreement amount not to exceed \$521,882.

SUMMARY/DISCUSSION: UPDATE SUMMARY

Wolters Kluwer Health, Up-To-Date Inc. (UpToDate) is the leading web based clinical research tool that clinicians utilize for their day to day review of clinical topics. NMC is a teaching facility, and as such, web-based research is particularly important for medical students and resident education. The user can access the UpToDate system via an internet links embedded within NMC's Electronic Medical Record (EMR) system, Medical Information Technology, Inc. (MEDITECH). UpToDate is a standalone resource application and there is no data exchanged to or from NMC systems with this application.

Currently NMC physicians, residents and medical students have access to Up-To-Date's web-based research and educational materials online. In addition to research, physicians can receive required individual Continuing Medical Education (CME) credit each time Up-To-Date is logged into and utilized. Annual CME is required by NMC, state and national medical specialty boards thereby aiding NMC and its physicians in keeping current in meeting their continuing medical education requirements. With Up-to-Date access, clinicians are able to "click" on the Up-To-Date icon and are able to research the most recent evidenced based recommendations. As an example, when a physician is on call and must remotely enter antibiotic orders for pneumonia but has a question on the preferred medication, he or she will be able to "click" on the Up-to-Date icon and view the latest recommendation.

This renewal and amendment will extend the term an additional year. There is no change to the scope or services provided.
