SUMMARY/DISCUSSION:

The County currently has Agreement A-11976 with Davis Guest Home, Inc. which will expire on June 30, 2014. Davis Guest Home, Inc. operates several licensed Adult Residential Care Facilities. These facilities provide community-based activities that create a normalizing experience for adults with severe psychiatric disabilities and benefit persons determined to be in need of the most help, particularly those recently discharged from psychiatric locked facilities. The structured activities provided by Davis Guest Home, Inc. successfully assist the residents to reintegrate into the community. Approval of this Agreement meets the requirements of the State Welfare and Institutions Code 5600 (Bronzan-McCorquodale Act) and the California Code of Regulations Titles 9 and 22.

This work supports the following Monterey County Health Department 2011-2015 strategic plan initiative: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.
