Group sessions will be offered on a variety of related mental health topics in an effort to provide community members the resources and skills that may assist in the prevention and/or management of mental health symptoms. The Afterschool Academy will be available for youth grades 1 through 12 in an effort to help youth address effectively any emotional dysregulation issues, unmanaged anger challenges, and improve their academic standing at their school.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.
