SUMMARY/DISCUSSION:

Nelson Holman dba Holman's Hook N' Haul (Holman's) has been providing services to WeatherTech® Raceway at Laguna Seca (WRLS) since 2011. Holman's, is an experienced partner of the track, providing the required tow services for track rental and spectator events. Holman's is vital to WRLS track operations, fulfilling a safety requirement that a tow truck must be on site whenever the track is in use. In addition to tow services, Holman's will provide the necessary safety services for the track operations previously provided by another vendor who is no longer a viable option. Holman's is appropriately certified and holds all required insurance.

Staff requests the Board of Supervisors approve and authorize the Monterey County Laguna Seca Representative to execute the proposed Standard Agreement (Attachment A) to ensure availability of required towing and safety services onsite when the track is in use.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and Auditor-Controller's Office reviewed and approved the proposed Agreement as to form and fiscal provisions, respectively.

FINANCING:

The cost of the contracted services provided by Holman's is not to exceed \$400,000 for the duration of the

Agreement. There is sufficient funding in the Fiscal Year 2022-2023 Adopted Budget, LSRA Fund 453, Budget Unit 8579, Appropriation Unit PFP067. Future budget requests will include sufficient appropriations.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The recommended action supports the Board of Supervisors Strategic Initiative for Health & Human Services. Use of Holman's services provides essential towing and safety services for Facility users during track rentals and spectator events.
