Amendment No. 3 will increase funding for CHS for FY 2022-23 to continue providing much needed outpatient mental health services to Monterey County residents. CHS will continue to provide MHSA services such as, Nurturing Parenting Program (NPP) which is a primary prevention, family-centered, trauma-informed curriculum designed to build nurturing parenting skills as an alternative to abusive and neglecting child-rearing practices. CHS offers "Community-Based Nurturing Parenting Education" (10 topics - Primary Prevention) and "Nurturing Skills for Families" (24 topics - Secondary Prevention). In addition, CHS provides Short-Term Therapeutic Services which include client-centered assessment and treatment planning, individual therapy, psychoeducational groups, and case management to help individuals with mild to moderate symptoms improve their mental health. CHS also provides education, outreach and referral services with the aim to promote greater access to mental health services among unserved and underserved Hispanic/Latino populations in the County of Monterey. This Amendment No. 3 also terms Program 3: Family Support Groups, effective June 30, 2023.

This work supports the County of Monterey Health Department 2018-2022 Strategic Plan Goal: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services.
