Approve and authorize the Director of Health or Assistant Director of Health, to execute on behalf of the County of Monterey standard agreements, and any amendments thereto, for continued funding from local, State, and Federal agencies for designated programs and to sign subcontractor agreements associated with our continued funding agreements for designated programs. Programs and their associated agreements were identified in an “Attachment A- Program Funding List” to the Board Report.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health, to execute on behalf of the County of Monterey standard agreements, and any amendments thereto, for continued funding from local, State, and Federal agencies for designated programs and to sign subcontractor agreements associated with our continued funding agreements for designated programs. Programs and their associated agreements were identified in an “Attachment A- Program Funding List” to the Board Report.

SUMMARY/DISCUSSION:

Continued support and approval by the Board for this recommended action would allow the Director of Health or Assistant Director of Health, to continue to submit the approved resolution as authority to sign, submit grant applications and grant agreements to renew funding for those designated programs without having to request Board approval for each grant application/ agreement. This will significantly reduce the number of board reports submitted for approval annually and will expedite the process.

The Department will continue to present amendments to the final grant agreements that require adjustments to the Final County Adopted Budget for changes in appropriations, revenues, and/or positions, to the Board for approval.
