### SUMMARY/DISCUSSION:

The Action Council of Monterey County, Inc. (ACMC), created in 1994, is a non-profit Organization involved in creating public/private partnerships to address unmet needs within the community, and to provide planning and coordination of such services. In part, their goal is to create public/private partnerships to promote economic and social justice and to initiate community dialogue and action on critical issues. For many years, the Monterey County Health Department (MCHD) has partnered with ACMC establishing a mutual and purposeful relationship focused on the provision of valuable services to our community.

This Agreement will ensure a continued and successful partnership with ACMC. The Health Department will continue to utilize ACMC's expertise and resources to secure professionals that provide specialized services, coordinate summits/trainings in relation to a range of public health topics and other specialized services as requested by the Director of Health.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goals: 1. Empower the community to improve health; 2. Enhance community health and safety through prevention. It also supports one or more of the ten essential public health services, specifically: 3. Inform, educate, and empower people about health issues; and 4. Mobilize community partnerships and action to identify and solve health problems.

### OTHER AGENCY INVOLVEMENT:

The Offices of the County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

### FINANCING:

This Agreement is funded by 100% grant-funded programs. The funds for this Agreement are included in the Health Department's Administration (HEA014-8438) FY 2023-24 Requested Budget, and provision for it will be made in the Department's Requested Budget for the years out.
