Title: Provide direction to staff on a preferred option regarding the operation of the Permit Streamlining Task Force. Staff has identified three options for the Board to consider:
a. Take no action, and the Permit Streamlining Task Force would continue to operate as a volunteer private group that advises County staff on land use permit process issues (operation, organization, fees) but has no official role with the County; or
b. Direct staff to return for formal Board action officially forming a group with Board-appointed members; or
c. Take no action, and the Permit Streamlining Task Force decides on its own to disband.
