### SUMMARY/DISCUSSION:

Monterey Bay Guest Home is licensed by the State of California Department of Social Services as an Adult Residential Facility. The facility provides community based living that creates a normalizing experience for adults with severe psychiatric disabilities, as defined in Section 1502 of the Health and Safety Code. The

proposed Agreement with Emmanuel Inneh, new owner of Monterey Bay Guest Home, will replace current Agreement A-12258 with former owner Pilar Peregrino which will terminate effective July 31, 2014. Approval of this Agreement provides for the continuity of care for Monterey County Behavioral Health Bureau adult clients with severe psychiatric disabilities currently placed at Monterey Bay Guest Home, and complies with the requirements of the Welfare and Institutions Code Section 5600 (Bronzan-McCorquodale Act).

This work supports the following Monterey County Health Department 2011-2015 strategic plan initiative: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The County Counsel and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions.

FINANCING:

This Agreement is funded 100% by Realignment revenues. The funds for this Agreement are included in the Health Department's Behavioral Health Bureau (HEA012, Unit 8410) Fiscal Year 2014-15 Adopted Budget.
