RECOMMENDATION:
It is recommended that the Board of Supervisors:
Consider a further continuance of Continue the public hearing on the proposed amendments to the 2010 Monterey County General Plan ("General Plan") that would implement a settlement of litigation regarding the General Plan to December 15, 2015.

SUMMARY/DISCUSSION:

On May 12, 2015, the Board of Supervisor's considered proposed amendments to the 2010 General Plan the adoption of which would implement settlement agreements concerning the two remaining lawsuits challenging the 2010 General Plan. At that time the Board opened the public hearing and received public testimony, but took no action and continued the item to September 29, 2015, with the direction that staff attempt to resolve objections that interested parties and stakeholders expressed regarding the proposed amendments. On September 29, 2015, the matter was continued again to allow for continued discussions between the parties.

As of this date discussions have not been concluded. It is therefore recommended that the public hearing be continued to December 15, 2015, for further Board consideration.

OTHER AGENCY INVOLVEMENT:
The County Counsel's Office and the Resource Management Agency concur in the recommendation.

FINANCING:
There is no financing action associated with the continuance.
