DISCUSSION:

On July 29, 2014, the Board of Supervisors approved PSA No. A-12775 with Denise Duffy & Associates, Inc. (DD&A) to provide environmental documentation, California Environmental Quality Act (CEQA)/National Environmental Protection Act (NEPA), and regulatory permitting for the Carmel River Floodplain Restoration and Environmental Enhancement Project (hereinafter, "Project"). Due to unforeseen circumstances and documentation requirements from the USFWS and Caltrans, the County and DD&A have identified a need to expand specific and existing Project tasks to include the new reporting requirements.

Amendment No. 2 to PSA No. A-12775 reallocates funding from existing tasks to expand and increase funding to other existing tasks to meet USFWS and Caltrans reporting requirements to complete the Project. Amendment No. 2 will increase the PSA by \$6,095, for a total amount not to exceed \$327,864, for a term beginning July 29, 2014 through July 29, 2017.

OTHER AGENCY INVOLVEMENT:

The following offices have reviewed and approved Amendment No. 2 as to form and legality, and fiscal provisions, respectively:
