RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Accept the Conservation and Scenic Easement deed for a portion of 3350 Seventeen Mile Drive, Pebble Beach (APN: 008-423-039-000); and
b. Authorize the Chair of the Board of Supervisors to execute the Conservation and Scenic Easement Deed; and

SUMMARY/DISCUSSION:

On October 2, 2002, the Director of Planning approved a Minor and Trivial Amendment (PLN020421) to a previously approved Combined Development Permit PLN000485 (**Attachment A**). The Minor and Trivial Amendment included a modification to Condition No. 4 to require a Conservation and Scenic Easement over those portions of the property where a stream channel exists. On September 13, 2005, the Board of Supervisors accepted the Conservation and Scenic Easement Deed and authorized the Chair of the Board of Supervisors to sign the deed (**Attachment B**) prior to recording of the document.

Although the easement was accepted by the Board, a review of County Recorder records shows that the Conservation and Scenic Easement Deed was never recorded. Because of the delay, the Conservation and Scenic Easement Deed has been re-executed by the property owner and is on file with the Clerk of the Board as **Attachment D**. Recordation of the Conservation and Scenic Easement Deed is consistent with the policies in the Monterey County General Plan, the Del Monte Forest Land Use Plan, and Condition No. 4 of Coastal Development Permit PLN020421 and will bring the property into compliance with the conditions of approval.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and the California Coastal Commission have reviewed and approved the Conservation and Scenic Easement as to form.

FINANCING:

Funding for staff time associated with this project is included in the FY16-17 Adopted Budget for Resource Management Agency (RMA)-Planning.
