SUMMARY:

On March 20, 2012, the Monterey County Board of Supervisors approved and authorized the EMS Director to sign and execute Paramedic Service Provider Agreements with Monterey County Regional Fire District to provide paramedic services in the County of Monterey. The Paramedic Service Provider Agreement with City of Salinas expired on March 28, 2016. Unfortunately, neither party to the agreement realized the agreements had expired. Accordingly, the parties wish to renew the agreement and extend it through June 30, 2017 to allow time to review and, if needed, revise the agreement to reflect the landscape of our current EMS system.

DISCUSSION:

On March 20, 2012, the Monterey County Board of Supervisors approved and authorized the EMS Director to sign and execute Paramedic Service Provider Agreements with Monterey County Regional Fire District to

provide paramedic services in the County of Monterey. The Paramedic Service Provider Agreement with City of Salinas expired on March 28, 2016. Unfortunately, neither party to the agreement realized the agreements had expired. Accordingly, the parties wish to renew the agreement and extend it through June 30, 2017 to allow time to review and, if needed, revise the agreement to reflect the landscape of our current EMS system.

DISCUSSION:

The Emergency Medical Services (EMS) Agency is designated under California law by Monterey County as the local Emergency Medical Services Agency responsible for planning, implementing, and evaluating the local EMS system throughout Monterey County. Under California law, no person or organization may provide “advanced life support,” also known as “paramedic services,” unless that person or organization is an authorized part of the emergency medical service system of the local EMS agency.

Accordingly, under California law, a paramedic service provider must have a written agreement with the local EMS agency to participate in the EMS system and to comply with all applicable state regulations and local policies and procedures, including participation in the local EMS agency’s Continuous Quality Improvement (“CQI”) program.

The original Paramedic Service Provider Agreement was reviewed and approved by the Emergency Medical Care Committee (EMCC) on September 14, 2011 and by the Monterey County Board of Supervisors on March 20, 2012. A short extension of the agreement will allow the parties’ time to review and, if needed, revise the agreement to reflect the landscape of our current EMS system.

OTHER AGENCY INVOLVEMENT:

County Counsel has approved the Agreement to Retroactively Renew the Paramedic Service Provider Agreement with Monterey County Regional Fire District as to legal form.

FINANCING:

This agreement will have no impact on the General Fund Contribution.
