Level 14 services for six (6) Monterey County youth in accordance with client's individual treatment plan and other identified needs. Milhous Children's Services, Inc. provides an array of mental health services and rehabilitative care to Monterey County children. Children placed in Milhous Children's Services, Inc. suffer from seriously emotional and behavioral issues, which interfere with their ability to effectively function within their home and in the community. This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2011-2015 Strategic Plan initiative: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.
