The Board of Supervisors Board Policy Manual, an electronic platform was created to develop a central repository for non-codified County policies. The two policies were presented to the Board of Supervisors at the April 3, 2018 meeting. The policy documents were not included in the Agenda packet in error and not available to the public.

The following policies have been reviewed and updated for the Board of Supervisors approval.

The policy sets guidelines to procure climate-friendly goods and services whenever possible.
