PLN170535 - Hevrdejs

Consider continuing PLN170535/Hevrdejs from April 17 to May 15, 2018, for consideration of an appeal by Joel and Dena Gambord of the February 8, 2018 decision of the Zoning Administrator to categorically exempt and approve a Combined Development Permit for a 10,417 square foot single-family dwelling, attached and detached accessory structures, and an accessory dwelling unit.

The public hearing before the Board of Supervisors had been previously scheduled and noticed for April 17, 2018. The Applicant and Appellant have both requested, in writing, a continuance to a date certain to allow time for the parties to reach a mutually acceptable screening plan to satisfy the Appellants' concerns.

Therefore, County staff supports and recommends approval of this request for a continuance of the public hearing on this appeal to May 15, 2018.
