SUMMARY/DISCUSSION:

NMC issued Request for Qualifications (RFQ) #9600-76 on January 26, 2018 to solicit for one or more new agreements for construction materials testing and inspection services from qualified vendors. On March 2, 2018 NMC received Five (5) Statement of Qualifications (SOQ)/Proposals from qualified firms submitted for consideration. All 5 SOQ/Proposals were evaluated pursuant to the criteria stated in RFQ #9600-76. One vendor was deemed nonresponsive. Of the remaining four vendors, NMC identified the top three qualified vendors as Kleinfelder Inc., Moore Twining Associates Inc., and RMA Group based on the ranking set forth by the NMC selection committee, and in conformance with state laws regarding qualification based selection, these 3 vendors were tentatively awarded agreements.

The master agreement for materials testing and inspection services is a five (5) year agreement that will be utilized by NMC for these services. Inclusion on the master agreement does not guarantee award of any specific dollar amount.

Vendors will provide construction materials testing and inspection services based off the requirements specified in the Request for Qualifications (RFQ) #9600-76.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved the agreements as to legal form, and the Auditor-Controller has reviewed and approved the agreements as to payment provisions. This request was approved by the NMC Finance Committee on April 26, 2018 and by the NMC Board of Trustees on May 4, 2018.

FINANCING:

NMC estimates that the total aggregate cost for these agreements is \$300,000 for the five (5) year period. \$60,000 of this amount is included in the Fiscal Year 2018-2019 Recommended Budget. Amounts for remaining years of the agreements will be included in those budgets as appropriate.
