DISCUSSION:

The Treasurer-Tax Collector utilizes Experian credit scoring services to meet background/credit check requirements for new employee candidates. The Treasurer-Tax Collector has utilized this service via annual agreement since Fiscal Year 2010-11. The service provides an important layer of scrutiny for positions entrusted with secure collection and safekeeping of public funds.

OTHER AGENCY INVOLVEMENT:

This service is utilized by the Monterey County Treasurer-Tax Collector and the Monterey County Assessor's Office as a component to background check requirements for new hires. County Counsel has reviewed this

report, and recommended that the department seek Board approval for the non-standard agreement.

FINANCING:

Costs for services through the Experian Credit Scoring Services Agreement have averaged less than \$400 per year. Related FY 2018-19 charges are included in the approved budget, and there is no additional impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
