The Monterey County Health Department is contracted to provide Sexual Assault Forensic Exam services. The

Health Department employs a Sexual Assault Response Team (SART) Coordinator who trains, schedules and oversees the work of sexual assault forensic examiners who provide on-site adult suspected sexual assault and pediatric suspected sexual abuse exams on both victims and suspects as part of the County's SART interdisciplinary team comprised of the examiner, a law enforcement officer and an advocate. The Sexual Assault Forensic Examiner also testifies in court as required.

Sexual assault forensic exam is a specialized field requiring advanced training of medical practitioners in adult and pediatric forensic exams. Pursuant to California Penal Code 13823.5 (e), a SAFE must be a Qualified Health Care Professional, defined as: Any physician or surgeon, or a nurse or a professional registered nurse working in consultation with a physician and surgeon who conducts examinations or provides treatment in a general acute care hospital or in a physicians or surgeon's office.

Recommended changes to the PPPR No. 98-394 Section A.9.1 Sexual Assault Forensic Examiner Per Diem Standby Pay and A.48.3 Sexual Assault Forensic Examiner - Per Diem are as per Attachment A. In summary, the changes are as follows:

- Section A.9.1 - Adding language to allow for per diem compensation to be calculated on a pro-rated basis for examiners who work less than a 24-hour shift; and
- Section A.48.3 Adding an amount of \$50 per hour, for a total of \$100 for examiners to attend the monthly SART coalition meeting.
