SUMMARY/DISCUSSION:

On November 4, 2014, the voters of Monterey County approved Measure Q, the first-ever Countywide sales tax measure for public transit. The money raised through Measure Q is to be used only for services and equipment that support transportation programs for veterans, senior citizens, and persons with disabilities. Using funds raised through Measure Q, Monterey-Salinas Transit (MST) offers a taxi voucher program to assist seniors and veterans in accessing important locations within their community.

To receive the veterans vouchers, veterans may visit the Military & Veteran Affairs Office headquarters located at 1200 Aguajito Rd, Suite 003 in Monterey, CA. A qualified veteran is an individual who served active duty in one of the branches of the U.S. Military.

To receive the senior voucher, seniors may visit the Aging and Adult Services offices located at 1000 South Main Street, Suite 211C in Salinas, CA and 2620 First Avenue in Marina, CA. A senior qualified to receive the vouchers is a resident of Salinas or Marina who has provided evidence that they are 65 years of age or older. The vouchers for seniors and veterans are provided on a monthly basis.

A customer may contact one of the participating taxicab companies to schedule a ride. With the voucher and \$3.00 co-pay, a customer can travel the equivalent of up to a meter reading of \$17.00. Only one voucher can be used per one-way trip. Customers are responsible for costs above the \$17.00-meter reading. Taxi sharing is encouraged, with only one taxi voucher required for a shared ride.

OTHER AGENCY INVOLVEMENT:

County Counsel has approved the Agreements as to form. Risk Management cannot approve the nonstandard mutual indemnification. Contacts/Purchasing has reviewed and approved the Agreements.

FINANCING:

MST provides funding for the vouchers through Measure Q. The County does not contribute any funding.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This agreement correlates to the Economic Development and Health & Human Services Strategic Initiatives adopted by the Board of Supervisors by providing transportation solutions to assist veterans and seniors with access to employment, health and human services, and increased access to local community service providers.
