### DISCUSSION:

On November 22, 2017, a Memorandum of Agreement between the County and the City of Salinas was executed for an Animal Services Administrator to consolidate services for the City and County. As part of these efforts, the Health Department presents this Agreement for veterinary services for Board approval.

This activity supports the Monterey County Health Department 2018-2022 Strategic Plan initiative: 2) Enhance community health and safety by through prevention. It also supports one of the ten essential public health services, specifically: 6) Enforce laws and regulations that protect health and ensure safety.

### OTHER AGENCY INVOLVEMENT:

The Office of County Counsel-Risk Management has reviewed and approved this Agreement as to form and legality. The Auditor-Controller's Office has reviewed and approved this Amendment as to Fiscal Provisions.
