SUMMARY/DISCUSSION:

On February 26, 2019, the Board of Supervisors received testimony and deliberated on the Morgenrath appeal. Based on the discussions that took place, it was determined, and agreed to by the applicant and appellants, that a compromise between the parties could be sought through mediation. Therefore, it was the Board's action to continue the hearing to April 23, 2019 in order to allow the applicant (Marty Morgenrath) and appellants (Matt and Carol Donaldson and Paul Smith) time to resolve their issues.

On March 28, 2019, staff received correspondence from representatives of the applicant (Aengus Jeffers for Marty Morgenrath) and appellants (Christine Kemp for Matt and Carol Donaldson and Paul Smith) requesting additional time to complete mediation. Therefore, staff requests that the hearing on the appeal scheduled for April 23, 2019 be continued to May 21, 2019 to meet the needs of the applicant and appellants.

OTHER AGENCY INVOLVEMENT:

Environmental Health Bureau
RMA-Public Works
RMA-Environmental Services
Water Resources Agency

FINANCING:

The Board appeal fee is typically, \$1,750.07; however, projects in the coastal zone are not charged an appeal fee. If the County were to charge a fee, then the project could be appealed directly to the Coastal Commission rather than going to the Board first. Funding for staff time associated with this appeal is included in the FY 18-19 Adopted Budget for RMA-Planning. Direct costs such as noticing impact the department's budget by not realizing revenue.
