SUMMARY/DISCUSSION:

Natividad Human Resources Department completed a reclassification study for the clerical staff within the Therapy Services Department. The findings of the study determined that one filled position was not properly classified for the duties and scope of responsibility that were being performed. The reclassification of the incumbent to an existing County classification will properly align and compensate the duties performed by this position within the department per the chart below:

From/To	Class Code	Position Title	Position Number	Beginning Total FTE	Position FTE Increase/Decrease	Revised Total FTE
From	80K21	Medical Unit Clerk	0017	19.9	(1.0)	18.9
To	80L02	Patient Services Representative II	0064	51.0	1.0	52.0

For these reasons, it is recommended that your Board approve these actions.

OTHER AGENCY INVOLVEMENT:

The Monterey County Human Resources Department has reviewed the class study and recommendation. The Service Employees International Union (SEIU) Local 521 was notified and concurs with the class study recommendations.

FINANCING:

There is an annualized salary increase of \$2,481 as a result of these actions for Natividad Medical Center (Unit 9600) FY 2019-20 Adopted Budget. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Approval of these salary adjustments will allow Natividad Medical Center to recruit and/or retain highly qualified staff to provide essential services to patients in the respective departments within the hospital, which equates to improved healthcare and equitable health opportunities for patients and the community.
