SUMMARY/DISCUSSION:

Since FY 2009-10 the County Board of Supervisors has directed the Agricultural Commissioner's Office to provide support of agricultural education efforts in Monterey County. The intent was to collaborate for mutual benefit with respect to agricultural education programs and activities, more specifically programs and activities directly related to pest management and control, quarantine and invasive species activities, pesticide use and enforcement, fruit and vegetable standardization, and crop statistics.

MCAE is a nonprofit organization that provides educational programs to teachers, administrators, and students throughout Monterey County. MCAE programs include: The Farm Day Experience, Careers in Agriculture, Teacher Workshops, and Education and Agriculture Together (EAT). Under its MOU, MCAE collaborates with the Agricultural Commissioner's Office to develop and deliver three (3) Farm Day Experience programs (Salinas, Monterey, and King City) and other events.

OTHER AGENCY INVOLVEMENT:

MCAE supports this action.

FINANCING:

The funds are contained in the Agricultural Commissioner's Budget for FY 2019-20. There are no changes to appropriations. Ongoing funding is subject to availability as determined through the County's annual Adopted Budget review and approval process.
