SUMMARY/DISCUSSION:

The first Agreement provides home-delivered meals to older adults that are home-bound on a temporary or permanent basis. These services improve the health and well-being of seniors who cannot shop or cook for themselves by delivering nutritious meals to their homes. This helps seniors to age in place and be as independent as possible. It is anticipated that a combined 40,000 meals will be served through this agreement in the Salinas, North, and South Monterey County regions.

The second Agreement provides emergency meals to seniors that are not part of the formal home-delivered meal program. Rather, older adults participating in this program are actively sheltering in place and restricting all travel during the COVID-19 pandemic. Qualifying regulations have been simplified for a short time to deliver food to the homes of seniors living in the Salinas, North, and South Monterey County regions.

These Agreements are part of the formal Request For Proposal (RFP #10606) completed in April 2017 and is in alignment with the Federal Older Americans Act.

This agreement was delayed in being brought for Board consideration prior to the effective date due to County delays in administrative processing due to the COVID-19 Pandemic.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved these Agreements. County Counsel has approved the Agreements as to form.

FINANCING:

Funding for the annual agreement is provided by the Federal Older Americans Act. Funding for the emergency meals agreement is federal funding received from the Families First Coronavirus Response Act (H.R. 6201). Currently, there are sufficient appropriations and estimated revenues for SOC010 are included in the FY 2020-21 Adopted Budget. However, the Department will be returning to the Board at a later date to update appropriations and revenues.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
