SUMMARY/DISCUSSION:

The Monterey County Office of Education (MCOE) and Monterey County (County) collaborate in many programs throughout the community. The County received Coronavirus Aid, Relief, and Economic Security Act (CARES Act) funds as part of the \$2.2 trillion economic stimulus passed by the U.S. Congress. These funds were allocated to the State of California which allocated \$44.9 million to the COUNTY to help the COUNTY with its response to the COVID19 Pandemic.

The County Board of Supervisors (Board) approved (August 18, 2020) using \$1,000,000 of the CARES Act funding received by the County to fund digital divide purchases to be made by MCOE for the purpose of helping students in Monterey County schools who as a result of the pandemic do not have access to technology enabling them to access educational resources remotely. Execution of this agreement enables the reimbursement of funds to MCOE as approved by the Board. The MOU has a retroactive date to allow for immediate purchases of technology for County's students and allows for an advance payment to MCOE of \$1,000,000 for cash flow purposes. A reconciliation of actual expenditures will occur to ensure all allocated funds were spent for the approved purpose.

OTHER AGENCY INVOLVEMENT:

The MOU has been approved by the Office of County Counsel-Risk Management as to legal form and risk provisions, and by the Auditor-Controller as to fiscal terms.

FINANCING:

This agreement is fully funded by CARES. Approval of this item has no financial impact to the General Fund.
