SUMMARY/DISCUSSION:

On September 11, 2018, the Monterey County Board of Supervisors approved the associated Vesting Tentative Map (Resolution No. 18-317) for Vasquez, et al, dated January 2012, subject to conditions for which compliance was required before the Parcel Map could be approved for filing with County Recorder.

Pursuant to Monterey County Code section 19.04.060 (recording and acceptance of the parcel map), the Board of Supervisors is the Appropriate Authority to accept a Final Parcel Map for recording.

In accordance with the County of Monterey Condition of Approval and Mitigation Monitoring and Reporting Program (adopted by the Monterey County Board of Supervisors pursuant to Resolution No. 17-060, as amended by the Board), all reviewing County agencies met on October 1, 2020 and confirmed that all pre-filing Conditions of Approval have been fully implemented. Attached to this report are the Department/Agency Condition of Approval & Mitigation Measures Compliance Certification Forms (CCFs) and supporting documentation which have been entered into the County's electronic database: Accela Automation, also known as "Accela." (Attachment F.) The owner has submitted a Property Tax Clearance Certification in accordance with California Government Code section 66492 and the Parcel Map Guarantee in accordance with Government Code section 66465 of the Subdivision Map Act. RMA Planning staff has confirmed that all conditions of approval required for clearance prior to filing the Parcel Map with the County Recorder have been completed.

The Final Parcel Map is in substantial compliance with the approved Vesting Tentative Map which creates three (3) conforming, previously developed parcels. All applicable fees associated with the recordation of the Final Parcel Map have been satisfied, collected, and deposited. There are no subdivision improvements associated with this Final Parcel Map. Therefore, staff recommends that the Board approve the subject Final Parcel Map for filing with the County Recorder, subject to the submittal of the applicable recording fees by the property owner.

CEQA

The acceptance of a Final Parcel Map is Statutorily Exempt per California Environmental Quality Act (CEQA) Guidelines section 15268 (b)(3) as a ministerial project that requires no discretionary action by the appropriate authority.
