SUMMARY/DISCUSSION:

Natividad operates the D'Arrigo Family Specialty Services Outpatient Clinic offering over 15 different specialty care services including pediatric cardiology. NMC has an agreement with UCSF, for which J. Emilio Quezada Liuti, M.D., a board certified pediatric cardiologist, provides outpatient specialty care at least one day per week, thus allowing Monterey County children and their families to remain closer to home for specialized pediatric care. UCSF is paid a daily rate for services which may increase or decrease due to patient volumes. NMC has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.
