2018-2019	3,682	\$ 844,520,974	\$229,365
2019-2020	3,338	\$1,058,396,647	\$317,075

As of January 1, 2021, the Local Secured Assessment Roll total for the County of Monterey was \$74,734,821,444 compared to last year's July 1, 2019 value of \$73,675,367,757 **an increase of 1.5%**. The Assessor's Office projects an additional 4,000 anticipated supplemental assessments with a value of approximately \$1,200,000,000 **an increase of 1.75%**.

For the roll being prepared 5,000 properties with Prop 8 reductions already in place will be reviewed. In 1978, California voters passed Proposition 8, a constitutional amendment to Article XIII A that allows a temporary reduction in assessed value when real property suffers a decline in value. It is estimated that this review will increase the Local Assessment Roll by another \$100,000,000 **an increase of 0.25%**.

As a result of the Covid-19 Pandemic and subsequent State mandated closures the Assessor's Office will be reviewing the value of certain identified commercial properties that may warrant property tax reductions under the Provisions of Prop 8. Properties do not necessarily receive a reduction in value when their value declines but rather when their current assessed value exceeds the market value as of the lien date which in this case is as of January 1, 2021. This could result in a significant reduction in value and based upon a preliminary analysis could result in a loss of \$650,000,000, a potential **.75% reduction** in assessed value.

Revenue and Taxation Code section 51 provides that base year values determined under section 110.1 shall be compounded annually by an inflation factor, not to exceed 2 percent. Section 51(a)(1)(C) provides that, for any assessment year commencing on or after January 1, 1998, the inflation factor shall be the percentage change, rounded to the nearest one-thousandth of 1 percent, from October of the prior fiscal year to October of the current fiscal year in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations.

For the coming year the inflation factor that will be used is **1.036%**.

Based upon the information above the Assessor now predicts an overall increase of **3.75%** in the assessment roll from 2019-2020 to 2020-2021.
