### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health or Assistant Director of Health to execute a two (2) year Mental Health Services Agreement (July 1, 2021 - June 30, 2023) with Interim, Inc. for residential and outpatient mental health services to adult residents of Monterey County in the amount of \$16,571,316 for Fiscal Year (FY) 2021-22, and \$16,195,194 for FY 2022-23, for a total Agreement amount not to exceed \$32,766,509; and
- b. Approve and authorize the Director of Health or Assistant Director of Health to approve up to three (3) future amendments that do not exceed ten percent (10%) (\$3,276,651) of the original Agreement amount and do not significantly change the scope of services.

### SUMMARY/DISCUSSION:

Monterey County has contracted with Interim, Inc. for over four decades to provide residential and day treatment programs, supportive housing, homeless outreach, dual recovery, peer wellness navigation and community-based wellness and recovery activities that provide normalizing experiences for adults with serious mental illnesses, many of who also have co-occurring substance abuse disorders. The Health Department,

Behavioral Health Bureau is requesting approval of this Agreement to continue to support these services for an additional two-year term; this coincides with the County's approved Mental Health Services Act FY21-23 Three-Year Program & Expenditure Plan, which specifically includes funding for these services. For FY23, the total annual amount is reduced by \$376,123 to reflect the term of the approval granted by the State Mental Health Services Oversight & Accountability Commission for the Transportation Coaching Project, which will be concluded during FY22.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV.B.) and a defunding provision (Section IV.D.), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one or more of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

Office of the County Counsel-Risk Management and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

FINANCING:

This Agreement is funded by Mental Health Services Act Funds (57%), Federal Financial Participation (39%), Mental Health Realignment (3%) and federal grants (1%). The funds for this Agreement (\$16,571,316) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2021-22 Recommended Budget. The funds for this Agreement for FY 2022-23 (\$16,571,316) will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2022-23 Requested Budget.
