### SUMMARY/DISCUSSION:

The County currently has Agreement A-15247 with The Village Project, Inc. In Fiscal Year (FY) 2020-21, the Monterey County Health Department, Behavioral Health Bureau conducted Request for Proposal (RFP) #10787 for Mental Health Services Act, Prevention and Early Intervention (PEI) Services which are aimed at preventing mental illnesses from becoming severe and disabling. PEI services focus on preventing the onset of mental health issues and/or providing early intervention treatment and referral services. The Village Project is one of several community agencies that were awarded funding for PEI services through RFP.

In FY 2021-2022 and FY 2022-2023, The Village Project, Inc. will provide mental health outreach and engagement services to educate communities about the importance of mental health well-being and engagement in services by maintaining a presence in those communities through activities (Mental Health presentations, tabling at events, community speaking engagements, etc.) designed to reduce barriers such as distrust and stigma that prevent community members from seeking mental health treatment. More broadly, in addition to acquainting community members with the services of The Village Project, Inc., the program provides

information on the other resources that exist in the County of that community members can access. The Village Project, Inc. proposes to outreach to a minimum of 700 individuals per Fiscal Year and provide 144 individuals with holistic clinical assessments per Fiscal Year. This Amendment No. 1 is retroactive to July 1, 2021 due to the timeline of conducting the RFP and prolonged contract negotiations.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The office of the County Counsel and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING:

This Amendment No. 1 is funded by Mental Health Services Act (45%), Federal Financial Participation (41%) and 1991 Realignment (14%). The funds for this Amendment are included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2021-2022 Adopted Budget.
