SUMMARY/DISCUSSION:

The Health Department's Public Health Bureau's Women, Infants, and Children Nutritional Program (WIC) has occupied space at 632 East Alisal Street, Salinas, California since February 1, 2002, with SIBS, A Limited Partnership. Approval of the new Lease Agreement will provide WIC with continued occupancy through July 31, 2027. The monthly rent for the initial lease term will be \$11,851 and subject to annual rental adjustments of two percent (2%). The Landlord shall perform Premise Improvements in accordance with plans and specifications at a cost not to exceed \$61,580. Said premise improvement costs shall be reimbursed to the landlord as one-time lump sum payment within sixty (60) days of premise improvement completion subject to the approval of the Health Department Facilities Manager.

The Lease Agreement provides for two (2), three (3) year extension options under the same terms and conditions. A "Termination by County" clause and the County's standard insurance and indemnity provisions are incorporated in the Lease Agreement.

The identified facility continues to provide WIC operations with needed general office and warehouse space, and the monthly rent is considered cost effective when compared to relocating to a similar facility in the East Alisal Community of Salinas.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goals: 1. Empower the community to improve health. 2. Enhance community health and safety through prevention. 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality services. It also supports the following of the ten essential public health services, specifically: 3. Inform, educate, and empower people about health issues. 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

The Office of the County Counsel has reviewed and approved the Lease Agreement as to form. Risk Management has approved it as to insurance and indemnity. The Auditor-Controller's Office has reviewed and approved as to fiscal provisions.

FINANCING:

There is no financial impact to the General Fund resulting from approval of this Lease Agreement. There are sufficient appropriations in the Health Department, Public Health Bureau's (001-4000-HEA003-8124) FY 2022 -23 Adopted Budget to accommodate current fiscal year costs; the costs for next fiscal year will be incorporated in the Bureau's FY 2023-24, FY 2024-25, FY 2025-26, and FY 2026-27 Requested Budgets. The initial rent payment will be \$11,851.70, comprised of \$10,115.30 for 7,781 square feet of office space (\$1.30 per square foot), plus \$1,736.40 for 4,341 square feet of warehouse space (\$0.40 per square foot), per month.
