Adopt a Resolution to find that County owned property located at 855 East Laurel Drive, Salinas, California 93906, also referred to as Assessor's Parcel Number 003-851-043-000 to be leased is exempt surplus land under the Surplus Land Act pursuant to Government Code Section 54221(f)(1)(F)(i).

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Adopt a resolution to find that County owned property located at 855 East Laurel Drive, Salinas, California 93906, also referred to as Assessor's Parcel Number 003-851-043-000 to be leased is exempt surplus land under the Surplus Land Act pursuant to Government Code Section 54221(f)(1)(F)(i).

SUMMARY/DISCUSSION:

On June 22, 2021, the County of Monterey (hereafter "County") and the City of Salinas (hereafter "City") entered into a Memorandum of Understanding regarding the Development of Affordable Housing (hereafter "MOU"), for the County owned property located at 855 East Laurel Drive, Salinas, California 93906, also referred to as Assessor's Parcel Number 003-851-043-000 (hereafter "the Property"). The purpose of the MOU is to identify roles and responsibilities between the County and City for developing affordable housing with a focus on families on the Property. The County, in partnership with the City, is proposing to build a One Hundred Percent (100%) affordable multi-family housing development project (hereafter "the Project") on the Property. The Project shall be geared towards very low- and low-income families with a minimum of fifty (50) rental units.

On May 6, 2022, the County, in partnership with the City, released a Request for Qualifications for the Design and Development of a One Hundred Percent (100%) Affordable Multifamily Rental Housing Development (hereafter "RFQ"), to identify a highly qualified developer to design and develop the Project that provides the maximum number of affordable housing units feasible. The selected developer shall enter into an Affordable Housing Lease Agreement (hereafter "the Agreement"), between the County and City for a minimum of fifty-five (55) years. The Agreement shall include a fifty-five (55) year term, terms regarding

the developers on-site professional management and maintenance responsibilities, among other provisions to implement the affordable multi-family housing development project.

As property owners, the County is required to comply with the Surplus Land Act and any associated requirements. The restrictions on the Project, which will be stated in the Agreement, qualify the property to be declared exempt surplus land pursuant to Government Code Section 54221(f)(1)(F)(i) because the project shall provide at least seventy-five percent (75%) of the residential units with a restriction to lower income households for a minimum of fifty-five (55) years and the lease opportunity has been put out to open competitive bid. To comply with Government Code Section 54221(f)(1)(F)(i), the County provided the RFQ to a list of affordable housing developers provided by the California Housing and Community Development Department identified in Government Code section 54222(a) to participate in the competitive bid process.

This action will allow staff to identify an approved affordable housing developer to complete the Project and remain in compliance with the Surplus Land Act.

The Office of County Counsel-Risk Management reviewed and approved the Resolution as to form. The Public Works, Facilities and Parks (PWFP) Department staff worked with the Housing and Community Development Department (HCD) staff to comply with the Surplus Land Act requirements and noticing information.
