**SUMMARY:**

After notice of the September 13, 2022 Board of Supervisors hearing was distributed, County staff received correspondence from the applicant, Caltrans, requesting postponement of the hearing to October 11, 2022 to allow time to proceed with an amendment to the Local Coastal Program (LCP).

Staff received correspondence from a representative of the appellant, The Open Monterey Project, stating that they were willing to continue the appeal hearing to October date provided that the draft language for “the LCP amendment and the revised agricultural lands mitigation will be released on October 4, 2022.”

Staff has met with Caltrans and California Coastal Commission staff on appropriate LCP language, which would include agricultural lands mitigation. Based on staff report deadlines, the staff report to the Board would be published prior to October 4, 2022. Therefore, on behalf of the applicant and appellant, staff requests the hearing on this item be continued to the Board of Supervisors meeting scheduled for October 11, 2022.
