SUMMARY:

In 2012, the County of Monterey created a HUD Urban County Consortium to become a CDBG Entitlement community. To remain eligible for HUD CDBG funds, the County is required to conduct two public hearings annually on CDBG funding priorities and goals. The County adopts an Action Plan annually in May following a public comment period and public hearing. A second hearing is held to consider a Consolidated Annual Performance and Evaluation Report, known as the CAPER. The CAPER being considered by the Board today summarizes accomplishments for the FY21/22 CAPER.

CDBG funds may be used to carry out a wide range of community development activities directed toward revitalizing neighborhoods, economic development, and providing improved community facilities and services. As an Entitlement community, the County and its consortium members must give maximum feasible priority to activities which benefit low- and moderate-income persons. Other eligible activities may aid in the prevention or elimination of slums or blight and activities that meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. CDBG funds may not be used for activities which do not meet one of these national objectives.

In FY21/22, the County was allocated \$1,360,242 in regular CDBG funding and \$202,800 in funds from prior years projects that were unused. CDBG regulations cap the amount of grant funding that may be used for administrative costs to 20% or \$272,048 toward program administration based on the FY21/22 allocation and 15% or \$204,036 toward public service projects.

DISCUSSION:

The Consolidated Annual Performance and Evaluation Report (CAPER) closes the 2021-22 fiscal year, July 1, 2021-June 30, 2022, by summarizing the accomplishments and the progress the Urban County made towards the goals and objectives it established in its Annual Action Plan (AAP). The FY21/22 AAP was approved by the Board of Supervisors on May 11, 2021, and amended on January 25, 2022. The AAP allocated CDBG funds in the amount of \$1,084,640 for three public facility projects in South Monterey County; \$204,036 for nine public service activities; and, \$272,048 for general program administration.

The County's Consolidated Plan, which is prepared every 5-years and guides development of the AAPs, identified seven programmatic areas for CDBG funding priorities to primarily benefit low-moderate income communities. These programmatic areas are: Affordable Housing; Fair Housing; Homeless and Homeless Prevention Services; Infrastructure Improvements; Public Facilities; Public Services and General Program Administration. The Urban County's accomplishments in each of these areas during FY21/22 is summarized below.

Public Facilities - The Urban County allocated \$1,004,140 for improvements to community sidewalks in Castroville and San Lucas and \$80,500 for Hayes housing refit for the Veterans Transition Center. All three projects are still in progress and incomplete.

Public Services - During FY21/22, the Urban County allocated approximately \$204,036 to support a wide

range of public services. Services included youth leadership development programs in Gonzales, Greenfield, and North County; providing food security and companionship in North County and the Salinas Valley; and programs to help maintain the independence and quality of life for the disabled and seniors. These services benefitted an estimated 3,119 primarily low-moderate income Monterey County residents last year.

Fair Housing - The Urban County retained the services of the Eden Council for Hope and Opportunity (ECHO Housing) and Legal Services for Seniors (LSS) to provide fair housing activities during FY21/22. Both agencies assisted approximately 738 people with fair housing services and tenant/landlord dispute resolution. The Tenant/Landlord Counseling Program provides information to tenants and landlords on their housing rights and responsibilities. Additionally, ECHO has trained mediators to assist in resolving housing disputes through conciliation and mediation. The primary objective of the program is to build awareness of housing laws and prevent homelessness. This has become particularly important during COVID and additional funds were allocated to both agencies to assist with the COVID crisis. ECHO Housing conducted weekly webinars in English and Spanish throughout the County.

Homeless and Homeless Prevention Services - The Urban County invested \$25,000 to support life skills counseling for residents of the Rancho Cielo Youth (18-24) Campus's Transitional Housing Program through the Public Service allocation.

The County budgets the maximum amount possible for general administration even if it may not need the full amount. Any unused public service or general administration funds may only be used for affordable housing, community facilities, or public facilities in a subsequent year. The Urban County will rollover \$60,000 from these sources to FY22/23. As approved by the Board when it adopted the 2022-2023 Annual Action Plan, these funds will be used to fund construction of sidewalks in front of Aromas School.

OTHER AGENCY INVOLVEMENT:

The cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City have partnered with the County to be designated as an Urban County.

FINANCING:

This action does not change the current FY2022-23 appropriations, revenues, or positions as it reports on outcomes for the prior fiscal year. The HUD grant is an annual agreement. If the County complies with grant requirements, the County may elect to continue to receive annual entitlement funding, subject to the federal budget process.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Authorizing the Urban County to submit the FY21/22 CAPER to HUD by September 30, 2022, is required to keep the Urban County in compliance with HUD CDBG requirements. Continued eligibility for the Urban County designation will allow the County to continue to receive the Entitlement Allocation of CDBG from HUD, approximately \$1.35 million annually.
