SUMMARY/DISCUSSION:

On May 6, 2022, the County of Monterey (County) and the City of Salinas (City) jointly released a Request for Qualifications (RFQ) seeking a highly qualified developer for the design and development of a one hundred percent (100%) Affordable Multifamily Rental Housing Project (Proposed Project) at 855 E. Laurel Drive in Salinas, California. On October 4, 2022, the Board of Supervisors adopted Resolution No. 22-383 selecting Eden Housing, Inc. as the developer and authorized the County Housing and Community Development Director to negotiate an Exclusive Negotiating Agreement (ENA) with Eden Housing, Inc. (Developer) for the affordable housing development.

Since October 2022, the County and Developer, with assistance and input from the City, have been engaged in negotiations to enter into an Exclusive Negotiating Agreement (ENA) for the affordable housing development. The purpose of the ENA is to establish procedures and standards for the negotiation by the County and the Developer related to agreements (“Development Agreement” and “Conveyance Agreement”) pursuant to which the Developer will conduct specified development activities related to the Property, and a Long Term Ground Lease Agreement (“LTGA”), which will provide the terms and conditions for the leasehold interest in the Property to the Developer for ultimate development. The Conveyance Agreement may be in the form of an Option to Ground Lease, or a similar form that the Parties mutually agree to. The Development Agreement, pursuant to state law and Chapter 18.62 of the Monterey County Code, will provide the terms and conditions related to and providing the development rights.

Exhibit B to the ENA, a Schedule of Performance, includes a list of Tasks, and provides estimated target dates within the 18 month negotiating period. The negotiating period may be extended for a period of an additional two periods of six months each upon presentation of a written request from the Developer together with a schedule of tasks to be accomplished during the additional period. The ENA also outlines the terms and conditions for the Developer and their representatives to enter upon the other property to conduct Planning Activities.

Staff requests that the Board of Supervisors adopt a resolution (Attached A) as recommended herein.

Because the proposed action and this matter have no potential to cause any effect on the environment, or because it falls within a category of activities excluded as projects pursuant to CEQA Guidelines section 15378, this matter is not a project. Any subsequent discretionary projects resulting from this action will be assessed for CEQA applicability.
