SUMMARY/DISCUSSION:

Vendormate will provide Natividad Medical Center (NMC) with an electronic solution to manage its vendor activity throughout the facility on a daily basis. Vendors (sales or other representatives of the medical center's vendors) visiting the NMC will be required to register online through the Vendormate web based software system, providing their contact information and legal name. A vendor visitor pass is then issued to the sales representative allowing them access to the specific NMC Department to attend to their business. The Vendormate solution provides efficiencies in the management of vendor access to NMC ensuring productivity as well as patient and staff safety.

This service is at no cost to NMC, each vendor that registers with Vendormate is required to pay a fee to Vendormate for the service.

County Counsel has reviewed and approved this Agreement as to legal form and risk provisions, and the Auditor-Controller has reviewed and approved as to payment provisions. The Agreement has also been reviewed and approved by NMC's Finance Committee on November 25th, 2014 and by its Board of Trustees on December 5, 2015.
