SUMMARY/DISCUSSION:

NMC offers a one year fellowship, or medical training after residency, in obstetrics that provides an obstetrical fellow ("OB Fellow") advanced obstetrical operative training under the direction of the OB/GYN and Family Medicine faculty.

United States Air Force offers select physicians the opportunity to complete fellowships at civilian institutions. The physician has been selected and the terms of the agreement have been settled. NMC is seeking authorization to execute the Residency/Fellowship Agreement with the Air Force for its physician, Amanda L. Jainchill M.D., who has been accepted into the fellowship program. Dr. Jainchill shall be paid compensation and allowances as a Commissioned Officer of the United States Air Force and that no additional compensation shall be paid by the County to the Officer during the fellowship.

County Counsel has reviewed and approved this Agreement as to legal form and risk provisions. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions. The Agreement has also been reviewed and approved by Natividad Medical Center's Finance Committee on April 28, 2016 and Board of Trustees on May 6, 2016.

FINANCING:

There is no cost to this Agreement. There is no impact to the General Fund.
