SUMMARY/DISCUSSION:

The Monterey County Administrative Office, Office of Community Engagement and Strategic Advocacy (OCESA) is seeking to amend the Fiscal Year 2016-17, adopted budget to increase appropriations and revenues by \$508,500, financed by a grant award from California Governor's Office of Emergency Services (Cal OES) Victim of Crime Act (VOCA) County Victim Services Program to provide direct services to victims of crime in Monterey County.

Acceptance of Cal Grant Award will afford the provision of direct services to victims of crime and the training and education of services providers in Monterey County, addressing disparities that affect the health and wellbeing of vulnerable populations.

Background:

The Office of Community Engagement and Strategic Advocacy has been awarded a two-year grant in the sum of \$508,500 to provide crisis intervention, counseling and legal advocacy services to victims of crimes in Monterey County. The award was granted in October 4, 2016 to be effective July 1, 2016, the Board of Supervisors received notification of the grant application on July 26, 2016. The funding will be utilized to cover the cost direct services, referral and case management, training and education services to both internal and external community partners within Monterey County. The services provided are in partnership with Monterey County Probation Department, Health Department for SART (Sexual Assault Response Team), District Attorney's Office Victim Witness Program, Seaside Police Department, Greenfield Police Department, CASA of Monterey County, Monterey County Rape Crisis Center, and YWCA of Monterey County. Inter-agency agreements with the County departments are attached as well as standard agreements with all other partners. The Office of Community Engagement and Strategic Advocacy is the lead agency for this grant and is responsible for administering and complying with reporting requirements. Grant management and support by the Office of Community Engagement and Strategic Advocacy staff is also funded by this grant in the amount of \$36,226. CASA of Monterey County will provide an in-kind match requirement as set forth in their MOU with the County, in the amount of \$127,125, for salaries, training and administrative costs associated with the CASA program. Grant funds are dispersed by Cal OES and in turn the County, on a reimbursement basis.

It should be noted that county departments are also beneficiaries of the grant funding. The Office of Community Engagement and Strategic Advocacy, as part of the CAO's Office, has entered into MOU's with the Monterey County Probation Department, the District Attorney's Office - Victim Services Program and the Monterey County Health Department, so that these departments can also take part in the grant funding for their department's victim services programs. Since Interdepartmental Memorandums of Understanding (MOUs) between county departments do not require Board of Supervisor's approval, these were not brought before the Board, but their existence is noted.

This is a request that the Board of Supervisors accept the budget award totaling \$508,500.
