SUMMARY/DISCUSSION:

The United Way Monterey County (UWMC) Volunteer Center develops and monitors volunteer community service opportunities for CalWORKs customers who need additional employment experiences to successfully compete for unsubsidized employment in the public and private sectors. The goal of the CalWORKs volunteer/community service program is to enhance and develop participants' employment skills to support readiness for unsubsidized employment.

United Way of Monterey County will provide volunteer/community service placement, training, supervision, intensive case management and performance evaluations for 360 eligible CalWORKs Welfare-To-Work (WTW) customers. Volunteer/Community Service positions will be offered at UWMC developed locations throughout Monterey County. United Way Community Outreach Associates assist customers with volunteer/community service placement designed to provide experience and training that supports transition into unsubsidized, or partially subsidized, positions as soon as the customer is determined to be ready for employment.

The Auditor-Controller and Purchasing have reviewed and approved this agreement. County Counsel has approved the agreement as to form.

FINANCING:
