Board Report

File #: WRAG 18-039, **Version:** 1

Adopt a resolution and authorize the Auditor-Controller to amend the Water Resources Agency FY 2017-18 Adopted Budget for Fund 116 Administration (116-9300-8267-WRA006) by increasing appropriations by \$500,000 financed by unassigned fund balance in Fund 116 BSA 3101.

RECOMMENDATION:

It is recommended that the Monterey County Water Resources Agency Board of Supervisors:

Adopt a resolution and authorize the Auditor-Controller to amend the Water Resources Agency FY 2017-18 Adopted Budget for Fund 116 Administration (116-9300-8267-WRA006) by increasing appropriations by \$500,000 financed by unassigned fund balance in Fund 116 BSA 3101.

SUMMARY/DISCUSSION:

A resolution was adopted by the Monterey County Water Resources Agency Board of Supervisors on December 12, 2017. However, it was rejected by the Auditor Controller's office because the resolution requested the Auditor Controller to increase revenue by \$500,000. This resolution clarifies the previous board resolution by eliminating the word "revenue" and requests the Auditor Controller to increase appropriations by \$500,000 in Fund 116 Administration financed by unassigned fund balance.

The Water Resources Agency was appropriated \$1,000,000 from the California General Fund to assist in the removal of excess vegetation and trash, increase efficiency of instream flow using sediment and vegetation management strategies, and support the development and implementation of long-term management policies for the Salinas River. The California Coastal Conservancy (CCC) was identified as the granting agency. The Agency's Board of Directors approved the grant agreement in May 2017 and the Agency Board of Supervisor's approved it June. The Agency received approval of the work plan from the CCC in August 2017.

The terms of the grant agreement include 5% retention of reimbursement until the project is complete and all work must be completed by January 25, 2019. There are no matching funds required for this grant. The Agency intends to award contracts to as yet unidentified consultants to assist with this project.

OTHER AGENCY INVOLVEMENT:

No other Agency involvement was necessary in preparing this report.

FINANCING:

The Agency's Adopted FY 2017-18 Budget for Fund 116 has \$953,867 in unassigned fund balance which will be used to finance this transaction amount of \$500,000. This will leave \$630,894 in remaining fund balance for this fund. All invoices will be reimbursed to this fund before the end of the fiscal year 2017-18.
