### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health or Assistant Director of Health to execute a Standard Agreement with Matthew R. Mock, Ph.D., Consultant for the provision of training and consultation services for a total Agreement not to exceed \$22,000 for the term beginning June 1, 2018 through May 31, 2019;
- b. Accept the non-standard insurance modification; and
- c. Authorize the Director of Health or Assistant Director of Health to approve up to three (3) future amendments that do not exceed ten percent (10%) (\$2,200) of the original Agreement amount and do not significantly alter the scope of services.

### SUMMARY/DISCUSSION:

Matthew R. Mock, Ph.D., has a private practice, clinical and consulting practice, and is a professor of psychology and an award winning national and international trainer. Through his teaching activities, he is helping develop the “next generation” of diverse mental health providers. Dr. Mock was the Director of the Family, Youth, Children’s and Multicultural Services, City of Berkeley Mental Health Division for twenty years. Dr. Mock went on to serve as the Director for the Center of Multicultural Development with the California Institute for Mental Health. Dr. Mock has consulted, trained or provided services in over 45 of California’s 58 counties.

Dr. Mock will provide a series of trainings and be available for consultation to support the ability of Behavioral Health Bureau (“BHB”) staff members to provide culturally competent services to the community and in the workplace. Dr. Mock’s work includes the State of California’s focus of “Cultural Competence and Cultural Humility” as well as “Culturally and Linguistically Appropriate Services (CLAS) Standards (Federal Office of Minority Health).” The course work provides a shared foundation for enhancing cultural diversity, equity, inclusion and humility.

The Contractor has provided proof of Commercial General Liability with an additional insured endorsement, Personal Automobile Liability, and Professional Liability; however, cannot provide the Automobile additional insured endorsement nor the General and Automobile primary and non-contributory endorsements, as required by the County. The Health Department recommends the modification to the insurance requirements as Dr. Mock will not be providing transportation to clients or County staff.

This work supports the Monterey County Health Department 2011-2015 strategic initiative: Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services and supports one of the ten essential public health services, specifically: 8) Assure competent public and personal health care workforce.

### OTHER AGENCY INVOLVEMENT:

County Counsel and the Auditor-Controller have reviewed and approved the Agreement. Risk Management cannot accept the non-

standard insurance modification.

FINANCING:

This Agreement is funded by Federal Funding Participation (FFP), Realignment, and Mental Health Services Act (MHSA) funds. The funds (\$22,000) for this Agreement are included in the Health Department's Behavioral Health Bureau (HEA012, Unit 8410) FY 2018 -19 Requested Budget.
