Board Report

File #: A 18-390, **Version:** 1

Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) or his designee to execute an agreement with Gallun Snow pursuant to the Request for Qualifications (RFQ) #9600-80 for interior design services at NMC, with an agreement term retroactive August 1, 2018 through July 31, 2021, with the option to extend the agreement for two (2) additional one year periods; and for an original contract amount not to exceed \$600,000.

RECOMMENDATION:

It is recommended the Board of Supervisors:

Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) or his designee to execute an agreement with Gallun Snow pursuant to the Request for Qualifications (RFQ) #9600-80 for interior design services at NMC, with an agreement term beginning on August 1, 2018 through July 31, 2021, with the option to extend the agreement for two (2) additional one year periods; and for an original contract amount not to exceed \$600,000.

SUMMARY/DISCUSSION:

On March 28, 2018, Natividad issued a Request for Qualifications (RFQ) 9600-80 for one or more new agreements for interior design services from qualified vendors. On May 3, 2018 NMC received only one (1) proposal for consideration which was from Gallun Snow. The proposal was deemed responsive and Natividad has awarded Gallun Snow the agreement.

The hospital desired a standalone firm not affiliated with an architectural service company that specialized in healthcare design (minimum of five years of experience) that could work collaboratively with the hospital, architectural/engineering firms, and general contractors. The selected firm would have the ability to provide all aspects of hospital interior design to include interior finishes, furniture planning and specifications, systems furniture planning and specifications, and art planning on an as needed basis for an initial period of three years.

Natividad and Gallun Snow amended the previous agreement which was awarded from the previous RFQ 9600-48 to extend the term of that agreement just so that projects already in progress would be completed, such as Gallun's involvement in the hospital's radiology modernization project. To avoid having redundant service agreements in place which overlap, Natividad will terminate the previous agreement with Gallun in sync with the start date of this new agreement per RFQ 9600-80.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this agreement as to legal form, and the Auditor-Controller has reviewed and approved as to payment provisions. The agreement has also been reviewed and approved by NMC's Finance Committee on May 24, 2018 and by its Board of Trustees on June 1, 2018.

FINANCING:

The cost for this agreement is \$600,000 of which \$200,000 has been included in the Fiscal Year 2018-19

Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The RFQ services are for needed improvements to the hospital's physical infrastructure. These improvements ensure that NMC maintains itself as a first rate medical facility which, in turn, enables NMC staff to provide quality medical care that leads to an improved quality of life for its patients and their families.
